Doctor of Philosophy

Name of candidate:

Department: Centre for Quantum Technologies

Title of Thesis:

Name of examiner:

- As the thesis contains patentable / confidential materials, the thesis must be returned with the completed form

Preliminary Report of Examiner

Section A: (Examiner's Overall Recommendation)

1. I have examined the above thesis and would like to recommend that (tick the appropriate box):

- 1) **No/Minor amendment(s) is/are required.** The candidate can proceed to Oral Exam now and revise the thesis later in the light of the outcome of that examination.

OR

- 2) **Major amendments** are required but the candidate can proceed to Oral Exam now and revise the thesis later in the light of the outcome of that examination.

OR

- 3) **Major amendments** are required.
- (i) The revised thesis will need to be re-examined **before** the candidate proceeds to the Oral Examination, and I am willing to do so.
- (ii) The thesis must be revised to the satisfaction of the supervisor(s) **before** the candidate proceeds to the Oral Examination.

* Please delete accordingly

2. I report that in my opinion (tick the appropriate box(es)):

- (A) The thesis is a significant contribution to the knowledge of the subject concerned.
- (B) The thesis affords evidence of originality by the discovery of new facts.
- (C) The thesis affords evidence of originality through the exercise of independent critical ability.
- (D) The thesis is satisfactory as regards literary presentation.
- (E) A substantial amount of material in the thesis is suitable for publication/has been published.

All reports will be shared with all Examiners in confidence prior to the Oral Examination, but will not be shared with the Supervisor of the candidate. The supervisor will receive copies of all reports after the Oral Examination.

3. I would rate this thesis (tick the appropriate box)

Excellent Very Good Good Fair Poor

Section B: (Examiners' Detailed Comments)

1. Please provide the following as a separate attachment, which will be conveyed to both the supervisor and candidate

- (i) General comments on the thesis;
- (ii) List of amendments (including minor corrections) to be made in the thesis.

2. Please indicate with a tick (✓) if applicable

- you are **NOT** returning the thesis as you did not make any annotations in it
- you are returning the thesis as there are changes to be conveyed to the candidate
